

VALLE'E BLANCHE

The most known Free-Ride descending of the ALPS

Skiing the Vallée Blanche in front of Mount Blanc is something you'll never forget!
A Glacier more than 15 kms long in the middle of Mount Blanc Group. Never too steep or difficult.
With the leading of a Mountain Guide it is skiable in safety.
Skiers or Snowboarders are welcome at the same!

General Program

1st Day: Meeting in Courmayeur at 10.00 . Descending of Toula Glacier (Good ability skiers - Black slopes).
2nd Day: By Lift to Punta Helbronner . Descending of Vallée Blanche. In the afternoon going back to Courmayeur by bus.

NOTE: The Mountain Guide can change or stop the tour in every moment due to the weather conditions or ability of the participants.
